# AIDACARE PROFESSIONAL TRAINING PROGRAM 2019

# ABOUT APT

## WHAT IS THE APT PROGRAM?

The Aidacare Professional Training (APT) program aims to provide all healthcare providers, such as Allied Health Clinicians, Nurses, CASE Managers, Carers, Medical Professionals with the most up-to-date, relevant and evidence-based professional training.

## WHAT ARE THE BENEFITS TO YOU?

Learn from our highly skilled APT educators/presenters about the latest products and technology.

Up-to-date references and resources are provided to take with you for your practice and/or share with your colleagues.

A Certificate of Attendance with CPD hour recognition is provided at the end of every session - crucial for your CPD activities and professional registration.

Get to know our CASE (Customised and Specialised Equipment) experts who can assist with future advice and/or problem solving.

## HOW CAN OUR TEAM HELP YOU?

The Aidacare Complex Rehab Specialists, in conjunction with Therapists, assess and recommend the most clinically appropriate product solution based on the individual client needs.

We are not limited to a specific range or style, enabling us to recommend the right option. Aidacare represents the full scope of leading international industry brands and models.

## HOW TO CONTACT THE COMPLEX REHAB TEAM IN YOUR AREA?

Call your local Team on 1300 133 120. Your call will be automatically diverted to your local Aidacare office (for the price of a local call).

## PRODUCT CATALOGUE
