

FIREFLY PAEDIATRIC RANGE – DISTRIBUTED BY AIDACARE

We are happy to formally announce that the Firefly Paediatric range is now available!

The Firefly range of products are inspired by special needs family participation. That simply means they are practical, fun products that help children with special needs take part in daily family life.

IMPORTANT INFORMATION

- o Complete paediatric range enhancing the child's perception and giving them the tools to 'join in', ensuring that the child not only has the opportunity to participate, but can also be at the heart of it.
- o We have developed an online webstore www.fireflyfriends.com.au to provide an efficient processing tool for our customers and support for the Complex Rehab team in the field.
- o The webstore will be administered by the current team handling MobilityHQ queries.
- o In an instance where a Complex Rehab team member has been involved in a transaction the sale will be allocated to that team member.
- o Stocked range: Standard Colours & Sizes of GoTo Postural Support Seat, UpSee Walking Support, Playpak Portable Activity Kit, Scoot Mobility Rider, Splashy Portable Bath Seat & WeGo Pushchair
- o Available on request range: Alternative colours and sizes of the above as well as some accessories.
