ATAMA  LIVING
by aidacare

Atama has been a provider of customised furniture solutions to commercial and healthcare customers for over 30 years. We strive to balance quality and aesthetics with the functional outcomes required in modern healthcare environments.

Our recent acquisition by Aidacare brings an exciting new chapter as we expand and uplift our range and our ability to meet our customers needs across Australia.

Design, Manufacture, Deliver

While you explore this catalogue, rest assured all items can be tailored to suit. We will consult with you and strive to understand the details required to achieve the designs you desire. Whether we manufacture to suit or source and customise as required, we always ensure the highest quality standards are met. Your new furniture will be protected and delivered on time with the utmost care.

The Projects by Aidacare Display Centre also enables you to experience first hand all of the modern healthcare furnishings and equipment for your Greenfield and Brownfield developments and commercial projects.

Low height, high style

With its impressive low height of 110mm, injury to the resident can be significantly reduced or avoided in the event of a fall from bed, therefore reducing the need for side-rails.
